PRODUCTION PROCESS

Electromagnetic Chuck Manufacturing

01

Aluminum Cutting & Drilling

02

Pole Plate Assembly

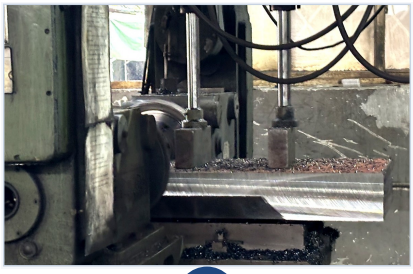

03

Steel Plate Flame Cutting

06

Coil Winding

05

Base Grinding

04

Steel Plate Milling & Slot Machining

07

Coil Installation & Resin Encapsulation

08

Chuck Assembly

09

Precision Grinding

12

Product Packaging

11

Surface Coating

10

Quality Testing
